Thirsty Irish Runners
c/o Robert and Camille Naser
85 Country Club Road
Dedham, MA 02026

Dear Robert and Camille,

Congratulations for the success of the Four on the 4th – Rally for Sally! Your event's net proceeds of \$12,591.20 will directly support osteosarcoma cancer research under the direction of Dr. Katherine Janeway at Dana-Farber Cancer Institute.

Each year, thousands of children and adults turn to Dana-Farber for the best possible cancer care. At the Institute, more than 3,000 staff members, from physicians to clinic assistants, work together to give these patients and their families expert and compassionate medical care. At the same time, Institute scientists pursue a relentless search for cancer's causes and possible cures.

Around the globe, Dana-Farber's dedicated runners, triathletes and other event participants are racing toward the ultimate finish line: a world without cancer. Your gift is helping them finish that race.

On behalf of Dana-Farber and all the patients and families for whom the Institute cares, thank you again for your commitment finding a cure. We look forward to the race's continued success in the years to come!

Sincerely,

Meghan McGovern
Development Officer, Marathon and Running Programs
